square feet

Don't miss this super cute rambler on a large lot! You'll appreciate the newer roof, windows, gas furnace, new blinds and some fresh paint & light fixtures. Absolutely move-in ready! The 1 car garage can be converted to a 2 car garage or used as-is w/ a large workshop area or storage for toys. The large, level & fully-fenced backyard features a double gate on one side w/ space for a small boat or trailer. There's tons of space to garden; water spigots around the yard & the tool storage make it convenient. You & your guests will enjoy plenty of parking, including the paved area in front/off-street. Additional features include garage access via the dining room, washer/dryer in the hall, a gas water heater & hardwood floors in the dining & bedrooms.
